DETAILED ACTION

Election/Restrictions

1. The examiner, after carefully consideration, withdraws the election/restriction mailed out on 5/17/2007 as being not proper since the case has already received an action on the merits for the original presented invention and apologizes for any inconvenience caused.

2. Newly submitted claims 79-104 directed to an invention that is independent or distinct from the invention originally claimed for the following reasons:

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 79-104 withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Allowable Subject Matter

3. Claims 1-10, 13-20, 51-59 and 63-70 are allowed.
